ANNOUNCEMENT

We are rendering cattle breeding interests, we believe, a splendid service in exposing at auction here the great herd of Templeton & Son of Tekamah, Neb. These interests suffered a severe loss when that outstanding cattle man the late R. A. Templeton died last winter. His son, R. A. Templeton, Jr., the surviving member of the firm inheriting his love for cattle and his practical ideals from his father has lost his health and the herd was therefore sold. We now offer the public the benefit of the wonderful results accomplished by the Templetons knowing that the cattle they have selected and produced will enrich the herds of this country in a most wonderful way. The herd possesses splendid scale, superb fleshing and milking qualities, with the most modern up-to-date type that is holding the Shorthorn in popular favor everywhere. In fact quite a number of animals in the various classes could be selected that only need fitting in order to become winners at our best shows. The herd has been kept under the most natural, favorable conditions with an abundance of the best pasture and roughage, but almost wholly without grain and the one hundred head we have selected for this auction will go into the sale ring under similar circumstances. Fifty-five cows of the herd this year raised fifty-three calves which is a grand tribute to the system pursued by the Templetons. No more prolific herd can be found anywhere which is also witnessed by the great string of yearling and two-year-old heifers herein catalogued. One hundred and sixty-six head were secured from the Templetons and this offering consists of one hundred head of the best fleshed ones together with most of the older calves of the 1916 crop. The others will be sold later. The herd represents the blood that is most popular and prize taking and in the best demand in America. White Hall Sultan, Cumberland's Last and Choice Goods predominates and no such celebrities as these have been known to the breed within recent years. The bull, Victorious Dale, is the only one of the stock bulls secured the others having been previously disposed of. Quite a number of his get are herein catalogued that justify the assertion that he is one of the really great breeding bulls of the country. Owing to his hard service Victorious Dale is considered too thin in flesh to fetch his value at this time so he will not be offered but reserved for sale later. He can be seen with his get on sale day and a mighty show they make, representing a concentration and intensification of the blood of the bull that did more than any other to enable Mr. Harding to secure an average of over \$1,000.00 on his calves in his recent calf sale held November 2. With the exception of a few that are bred to Combination 367223 (a blend of White Hall Sultan and Choice Goods blood) all females of breeding age are in calf to Victorious Dale and the calves at foot are mainly by him. Never before we believe have breeders and farmers been offered such an opportunity to secure so many high-class females at prices that are sure to prove remunerative and whatever they may cost, will improve and enrich their herds. We have cattle that from any viewpoint are worthy a place in the best herds. They are all tuberculin tested and ready for shipment anywhere. We extend a cordial invitation to all interested in live stock improvement to be with us on this occasion and see a great herd of Shorthorns dispersed.

TERMS AND CONDITIONS OF SALE

Each animal will be sold separately to the highest bidder without reserve.

Cow with calf at foot is regarded as a single lot.

Each animal has been tuberculin tested and certificate will be furnished whereby it can be shipped to any state.

In case any animals purchased cannot be shipped promptly owing to Sanitary Regulations of State, satisfactory arrangements will be made for holding them.

Extended pedigrees will be furnished from the American Shorthorn Association, for each animal sold, excepting calves at foot with dams. Breeders' certificates being furnished for them.

The auctioneer selling will settle any dispute as to bids by declaring all bids off, and reselling the animal in question.

Each animal will be at purchaser's risk as soon as sold, but will not be delivered until settlement has been made for same.

The terms of the sale are cash, unless other arrangements are made with the owner before the sale.

After sold the animals will be fed and cared for a reasonable length of time free of charge to the purchaser, but at his risk of loss or injury, and will then be loaded on the cars for shipment as he may direct.

Animals of breeding age are guaranteed breeders. Cows with calves at foot give ample evidence of their breeding qualities.

Should any animal that is herein guaranteed, prove barren, the seller reserves the right to have said animal returned to him, and if after a period of six months it still remains barren, the purchase price with interest shall be refunded to the purchaser; but, if it proves a breeder, it shall be returned to him at his expense.

VICTORIOUS DALE 410241 is one of the great young breeding bulls of America as his get herein catalogued will amply illustrate. He has seen hard service in the herd and his picture on opposite page was taken in thin condition. We expect him to develop into a splendid individual and return to the great form he possessed as a yearling. His pedigree could not be improved upon.

VICTORIOUS DALE 410241 is one of the great young sires of the breed as his calves in this auction will give every evidence. He represents the intensification of the blood that caused Mr. Harding in his recent calf sale to average over \$1,000.00 per head on his calves. He was got by Merry Dale 320001, a son of Avondale, probably the greatest son of Whitehall Sultan and out of a dam by Village Sultan, another son of Whitehall Sultan.

VICTORIOUS DALE 410241 is one of the great young sires of the breed as his calves in this auction will give every evidence. He represents an intensification of the blood that caused Mr. Harding in his recent calf sale to average over \$1,000.00 per head on his calves. He was got by Merry Dale 320001, a son of Avondale, probably the greatest son of Whitehall Sultan and out of a dam by Village Sultan, another great son of Whitehall Sultan.

VICTORIOUS DALE 410241 is one of the great young sires of the breed, as his calves in this auction will give every evidence. He represents the intensification of the blood that caused Mr. Hading in his recent calf sale to average over \$1,000.00 per head on his calves. He was got by Merry Dale 320001, a son of Avondale, probably the greatest son of Whitehall Sultan and out of a dam by Village Sultan, another son of Whitehall Sultan.

VICTORIOUS DALE 410241 is one of the great young sires of the breed as his calves in this auction will give every evidence. He represents the intensification of the blood that caused Mr. Harding in his recent calf sale to average over \$1,000 per head on his calves. He was got by Merry Dale 320001 a son of Avondale probably the best son of Whitehall Sultan and out of a dam by Village Sultan another son of Whitehall Sultan.
